To: Examiner C. Melissa Kador  
Art Unit 1755

On 7/19/05 I made several  
amendments to my specification  
(App. No. 10/813,462), - enclosed  
3 pages.

It would be helpful if you  
could tell me which specific  
amendments need to be  
deleted for allowance as discussed  
on 11/22/05.

Thanks
